## 6. 2023 Music Scholarships

2024 GATE Scholarships will only be sent out late this term - early next term.

Gabriel Krzak, Year 11 student who was awarded a Music Scholarship – undergoing a medical procedure for something and passed away during the school holidays. Dudley to note so cheque is not made out to the family for next year. Neil was away on holidays – Jamie Long followed the Incident Management process – did very well.

Solar Scholarship Project – Spreadsheet tabled – Couple of staff made applications to the P&C for funding which was knocked back as it benefitted only a small group of students – the Bike Project. Another project was the Mentoring Project Yr 7s - 11s – joint project with Shenton College, Bob Hawke & Churchlands. Neil suggested that they submit it through the Foundation.

Been generous with the amount of funding allocated – people are aware of this source of funding now. The Committee met in Oct to view and confirm everyone is happy to approve the projects – endorsed online by all members. JG requested any big amounts come back to the Board for approval. Neil moved that once applications had been viewed online and assessed, application to be endorsed and approved by the Committee.

It was noted that there are still a few glitches – see something sometimes but other times, did not. Expecting more applications to come in next year. 50% approved for Tegan Williamson – Cricket World Cup in Dubai. Helena to overwrite the stage following the thumbs up and award
