

Program Overview

Workplace Learning is an Endorsed Program developed by the School Curriculum and Standards Authority that enables students to participate in an Industry they are hoping to pursue in the future. This program provides an opportunity for a student to demonstrate and develop increasing competence in the core skills for work, often referred to as generic, transferable or employability skills. These skills are documented in the Core Skills for Work Developmental Framework, developed collaboratively by the Department of Industry and the Department of Education. A student learns to apply and adapt the workplace skills that are necessary for different types of work and that play a key role² (h)-0.7 (a)4.7 -0.8 (e (s)2.4 (a
